

5th – 8th Grade Youth Snack Providers

April – June 2018

Thank you for volunteering to provide snacks for the Shiloh 4:12 Youth Ministry! Your contribution is truly appreciated by our students. Please contact Nicole Gregory **570-951-6023** or **pbdgregory@earthlink.net** with any questions. **The snack lists will now be separated in to 2 groups. This list is for 5-8th grade.** The leaders have a few requests: *1) no caffeinated beverages 2) no CANS of soda 3) no iced tea.* The youth have their “favorites” including homemade goodies, brownies, Oreo cookies, Doritos, Middlesworth BBQ chips, ice cream sandwiches, donuts, Capri sun juice pouches, fruit punch, freezer pops, chocolate candy bars, popcorn, and fruit snacks. We do have some peanut sensitivities so we ask that you avoid items containing peanuts or mark them clearly so as to avoid any allergic reactions. **We will be “Grillin’ & Chillin” in late June, July and August which means there will be a grilled meal provided each of those 8 weeks and we start at 5pm. During this time please focus snack on sweets/dessert type things, or contact Nicole to donate hot dogs, buns or grill items.** All you need to do is bring your snack/beverage to the **LOWER LEVEL** of Youth Activity Center across the street from the church before the program begins on Sunday nights at 6pm (or 5pm as listed below) **Please mark your donation for 5-8th grade.** If you are unable to provide snacks on the date you are scheduled please exchange dates with someone else or contact Nicole. Most evenings will have 2 snack providers and 1 or 2 beverage providers. **This means some of you are listed twice.** You may call the others listed on the same date to coordinate your snacks or to ensure variety. We are currently hosting about 25-30 teens each week with 6-8 leaders.
